

Rubiomonocoat REFRESH ECO

DESCRIPTION:

Rubio Monocoat Refresh Eco is a ready-to-use sprayable product that refreshes and restores all wooden surfaces that have been treated with oil. Depending on wear and tear, **RMC Refresh Eco** can be applied several times a year at certain areas. This may be necessary if the surface feels dry. **RMC Refresh Eco** is not pigmented. To restore the colour, use **RMC Oil Plus 2C** in the colour with which the surface area was treated.

INSTRUCTIONS:

1. Clean the surface with **RMC Soap** or **RMC Surface Care**.
2. Spray **RMC Refresh Eco** on the surface area: to avoid sticky floors, make sure you don't use too much product.
3. Wipe the treated area dry with a microfiber cloth. Make sure that all stains and stripes are no longer visible.
4. Walkable after 1 hour.

COVERAGE:

1 L = +/- 100 m²

These usages are merely indicative. It is always recommended to make a sample in order to calculate the exact usage.

TECHNICAL SPECIFICATIONS:

Physical state: liquid
 Colour: white
 Odour: characteristic
 Density: 1 kg/L
 Solubility: completely soluble
 VOC content: 0 g/L

STORAGE:

The product can be stored up to 12 months in dry conditions and in its original packaging.

PACKAGING:

Ecospray 0,5 L and 1 L
